Our termly subject networks are delivered by associates who are experts in their area. Delegates are updated on national and local developments that are new and emerging. The networks are an opportunity to develop subject knowledge and share best practice, resources, and ideas. Visiting speakers are often invited to present at the meetings.

If you haven't used our booking system before you will need to email cpd@chester.ac.uk to sign up for an account.

- Networks can be paid for using a purchase card.
- A bundle of credits can also be purchased from CPD@UCS and used to pay for the networks. Online networks cost 1.5 credits (£63), face to face networks cost 2 credits (£84). To purchase credits please contact cpd@chester.ac.uk
- They are free to schools who buy into the Shropshire SLA packages.
